Presents with a power point presentation in the background. The presentation will also be sent out with the minutes of this meeting.

There are two follow-up projects and one new project:

- **Ending Child Marriage**, phase 3, focus in addition to education, health and protection primarily on training the police and judiciary, implementation of laws
- **Climat empower** as a kind of follow-up project in Madagascar, Mozambique and South Sudan, countries particularly affected by climate change.
- **LAHAA,** new, a safe virtual space for girls and women (with UNICEF USA) designed for knowledge transfer, exchange forums, already available in 7 languages https://iq.laaha.org/en/home

All three are definitely worth supporting. Project descriptions can be found in detail at zonta.org.

Our Zonta International organization has committed to **4.617.000 $ (178 $ pro Zontian in the biennium)** to fund global projects.

Fundraising Goal = US$4,617,000

Fund	Agency Partner	Title	Proposed USD
International Service Projects		Laaha: A Virtual Safe Space for Women and Girls	750,000
	UNFPA	Climate Empower: Community Empowerment and Innovation for Gender-Transformative Climate Action	1,000,000
	UNFPA	Global Programme to End Child Marriage	1,500,000

		Total	**4,617,000**

Ursula presents where the ZI Foundation of Women is standing in terms of donations. They have reached at 28 february 2025 about **27% of the biennial goal**. In D14 we increased donations from last biennium.

This year, the 40th anniversary campaign for Foundation for Women will run from March 18 to mid-April and it is hoped to raise additional funds.

Donating by using the ZI website is very easy.

Birgit Farnleitner noted that dollar donations are a problem for many members and suggested asking ZI about the possibility of making donations in euro to a special account, as is already done for the international dues.

It is agreed to formalize this request at the next convention.

D14 printed postcards containing information about Zonta Foundation for Women, projects, awards and programs. They are available to clubs in German and English.

Presentations of Values of Zonta by Ivana Tomljanovic Rudar Lt. Governor

The Lt. Governor Ivana Tomljanovic Rudar presented the Values of Zonta, using an interactive platform (Mentimeter) where each person could point out a word that represents why they are Zontian and continue to be Zontian. The following emerged: friendship, human rights, respect, kindness, etc. Underlying this is passion, which represents the Zonta spirit, beyond advocacy, sharing common values, helping each other, and the goal of building a better world, not only in one's own area, but internationally.

Club Reports

Clubs have been asked to prepare a short presentation about the club's life highlighting, the women behind the projects to get to know club members and activities better.
